AMENDMENT

Sir:

In response to the Office Action dated July 08, 2002, please amend the application as follows:

In the Specification:

Delete the paragraph beginning on page 7, line 6, and replace with the following paragraph:

Figure 2 is an expanded view of the smaller complex image component of the web page displayed in Figure 1. The image can be described in terms of device coordinates correlated to the pixel density of the client computer display monitor on which the web page shown in Figure 1 is displayed. The origin of the device coordinate system, with coordinates (0,0), occurs at the upper left hand corner of the displayed web page 202. An x axis 204
